Per què mires els vídeos?

Ajuden a assimilar, és com tornar a fer la classe.

M'ajuden.

De vegades, no puc assistir a l'escola per motius de feina, i així puc "recuperar" el perdut.

Puc preparar el tema abans de classe.

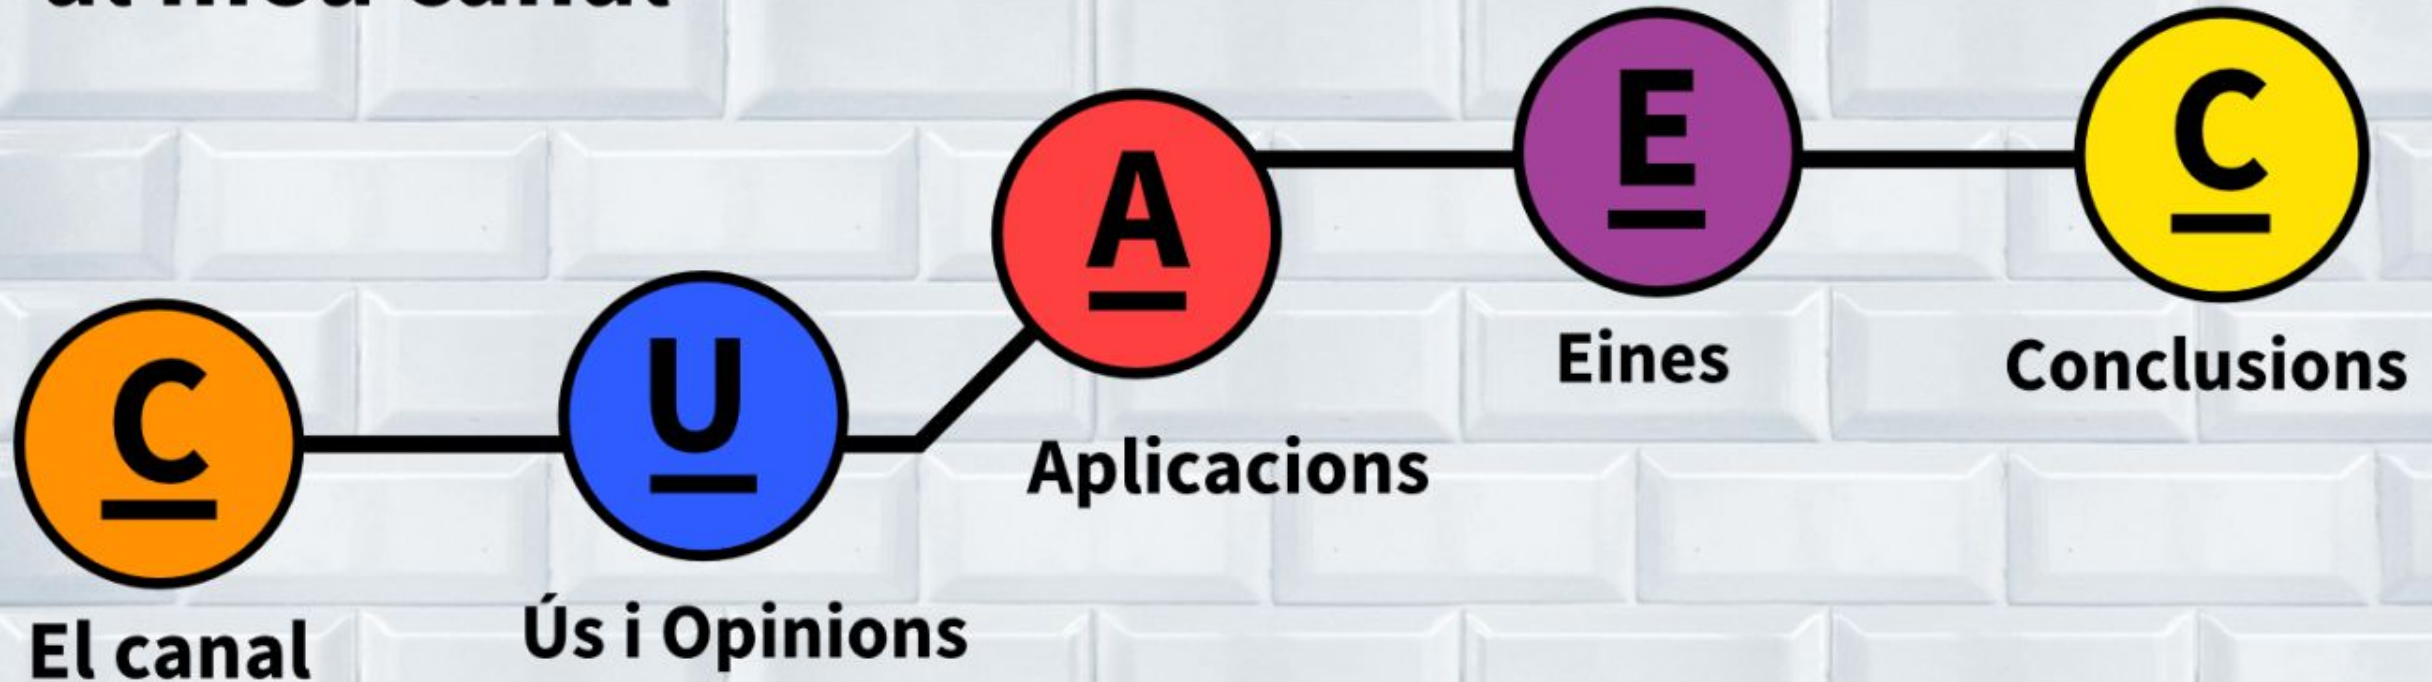

Puc mirar el tema tantes vegades com vulgui, al meu ritme.

Ho ha dit la professora.

Aplicacions

STRATEGY

The word 'STRATEGY' is displayed in a stylized font where each letter is contained within a colored circle. The letters are: S (yellow), T (grey), R (brown), A (light blue), T (green), E (orange), G (purple), and Y (blue). Curved arrows of various colors (blue, orange, light blue, purple, green, brown, yellow) are positioned around the circles, pointing from one letter to the next in a clockwise direction, suggesting a continuous or cyclical process.

The image shows a screenshot of the Screencast-O-Matic website. The background is a dark, abstract pattern of colorful, overlapping shapes. In the top left corner, the logo "SCREENCAS-T MATIC" is displayed. To the right of the logo is a navigation menu with links for "Home", "Solutions", "API", "Tutorials", "Support", and "Blog". Further right are two buttons: "Login" and "Sign Up".

In the center-left, a "Record" window is overlaid on the page. This window has a dashed border and contains several settings: "Screen", "Webcam", and "Both" (with icons); "Max Time" set to "00:15:00"; "Size" set to "720p"; "Narration" with a green progress bar and a microphone icon; "Computer Audio" with a speaker icon; and a "Preferences..." button at the bottom. A large play button is centered over the "Record" window.

To the right of the "Record" window, the text "Fast, free screen recording" is prominently displayed. Below this, a paragraph states: "Screencast-O-Matic is trusted by millions of users to create and share screen recordings." A large blue button labeled "Start Recording" is positioned below the text. At the bottom of this section, it says "Record for FREE or [Go Pro for just \\$1.50 per month!](#)".

At the bottom left of the screenshot, a small recording control bar is visible, showing a red "Rec" button, a settings gear icon, a timer at "00:00", and a stop icon.
